COMFORTWEAR

JOSEPH DAHDAH CO
JD
SINCE 1936

Company Profile

Joseph Dahdah is a 100% Australian owned and operated company, manufacturing a range of high quality uniform garments in Australia and overseas.

Since 1936, Joseph Dahdah has gathered a wealth of unique experience developing corporate images and is now one of Australia's largest specialist uniform clothing manufacturers. From the rugged good looks of industrial workwear to sophisticated corporate wear, Joseph Dahdah has perfected the ability to combine function and image.

Why we are different:

- Joseph Dahdah offers the most comprehensive range of men's and women's uniform clothing, footwear and accessories.
- We employ on-going research and development programs that enable us to provide our customers with the latest in technology, fabrics, fashionable designs and quality garments.
- Excellent service, quality assurance and proactive business planning are integrated into the supply of uniform and safety garments to all our customers.
- High priority and importance is placed on managing production costs and obtaining efficiencies in manufacturing.

Joseph Dahdah & Co. have been manufacturing uniform clothing garments for over seven decades. Our experience and expertise is backed by a commitment to providing quality goods and efficient service on a consistent basis.

Total Apparel Management

The Total Apparel Management (TAM) system provides flexibility, accountability, cost saving and time efficiency. This system has been designed to provide total control of uniform expenditure and distribution.

There is always the ability to modify the system to suit your company's required information needs.

Joseph Dahdah's TAM policy ensures:

- **Consistent high levels of service** – trained staff combined with computer technology to report accurate information.
- **Product availability** – maintaining stock levels in an extensive range of sizes and colours.
- **Value for money** – durability of fabrics and detail in manufacturing make for long lasting garment appearance in relation to price.
- **Consistency and quality** – garment specification and standards are repeatedly tested for suitability and trialled to maintain the highest level of satisfaction.
- **Product guarantees** – Joseph Dahdah fully guarantee their product and service at all times.

Total Apparel Management Key Factors

Design Department

- Our team of graphic designers, fashion designers, production co-ordinators and marketing personnel will create the uniform appearance to meet your specific requirements.
- Our Design Department will be committed to strengthening your company brand by tailoring clothing solutions.

Production

- Company owned manufacturing facilities ensure flexibility and control.
- Quality assurance and accredited to meet Australian standards. Our garments are manufactured and tested to specific standards that ensure consistency of product and workmanship.

Corporate Branding

- Joseph Dahdah can create a professional corporate image through design and monogramming of all uniform garments.
- Embroidery or badges are created by our own machines in-house, providing efficient and timely delivery of quality logos.
- Your logo can be embroidered, screen printed or monogrammed onto almost any item.

National and International Distribution

- Our Supply Chain Management system of warehousing and distribution assures efficient delivery of your order at the most competitive price.
- Orders are traceable through our distribution network. Our facility is capable of passing on requested updates on progress, or proof of delivery, via email and/or fax.

Management Reporting

- We have an established nationwide network of sales personnel and customer support teams.
- Our systems provide accurate and up to date information reports, stock reviews, order status and delivery performance.
- Personalised data reporting and analysis by individuals, business units or company summary.
- Information can be electronically transferred.

Catalogues and Brochures

- We can create, design and produce information booklets/order procedure packages to meet your company requirements.
- We also organise distribution to your company sites and staff for uniform recognition and ordering.

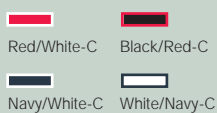

Sales Team Representatives

- Our team provides advice on uniform requirements and images to suit your company.
- They effectively collaborate and communicate with clients throughout the entire process – from uniform range concept development, through to final delivery.

Return and Exchange Policy

The following returns policy will ensure your credits / exchanges are processed promptly and accurately.

If you wish to return or exchange items please notify our Customer Service Returns Officer.

Please Note

No refunds are available. Store credits valid for six months will be issued.

Items for exchange or credit must be returned within 21 days of invoice. All returns will only be accepted if the garments are returned in new and resaleable condition.

A copy of the original invoice is to be included with the return and an authorisation number clearly displayed on the parcel. Please be aware that your parcel may be returned to sender if authorisation number is not visible.

Authorisation numbers can be obtained by calling our Head Office and asking to speak to a Customer Service Returns Officer.

A handling fee of \$11.00 incl GST on all exchanges will apply if ordered incorrectly.

Items returned for quality control assessment must be thoroughly cleaned and subject to above procedures. Faulty garments will be repaired or replaced at no cost to the customer.

Special Request

For garments outside the listed range, a minimum of 20+ units per style/colour and fabric is required and a surcharge may apply.

Please Note: These items will not be accepted for return.

Garment Care – Washing Instructions

Care instructions are sewn into every garment. Please be sure to read and follow these instructions carefully.
